

Dear Everyone

I returned home several weeks ago after spending four months working with Tumaini Orphanage and Forever Angels. It has been a rewarding experience and my only regret is that I did not have as much opportunity as I had hoped for to enable me to spend time with the Mchungwa Project. Still it was heartening to see how much had been achieved and how hard Japhet has worked to make the life of his group of children so much better than that of many other Tanzanian orphans. Of course none of this would have been possible without all your support, via donations, purchases of cards etc and for this I am truly grateful. The website will continue and hopefully in the New Year it may be possible to update it. I know I shall return to Tanzania again soon.

I received an e mail some days ago from Japhet, and although at the time of writing the little ones Frank and Chale were ill with Malaria he has managed to send pictures of the new buildings now finished!

His email reads:

Dear Mama carol

Meanwhile may I wish each and every one of you, together with Japhet

"A Very Happy Christmas"
